### DEATH OF FRANK J. SMITH

We regret to announce the death of Frank James Smith, of Hillcrest, who passed away at his Calgary home after about two months' illness.

Mr. Smith had been in poor health for the past ten months, and in September underwent an operation in the Holy Cross hospital at Calgary, from which he never recovered, and was moved from the hospital to a house he had taken in Calgary, where he died at a late hour on Saturday evening.

Mr. Smith, who was approaching his sixtieth year, was born in London, England, and came to Canada at an early age and resided in Montreal, where he became connected with the Canadian Pacific Railway and later the Dominion Textile Company, and came to Hillcrest in 1910, where he has since held the position of secretary-treasurer of the Hillcrest Collieries Limited. During his residence in The Pass, he has been actively identified with most of the public movements, being a member of the Crow's Nest Pass Golf and Country Club, of which he acted as secretary for several years; he was secretary of the local branch of the Institute of Mining and Metallurgy, and active member of the Blairmore Curling Club; member of the United Church at Hillcrest, a notary public, registrar of statistics, and up to a few years ago was a tennis player of decided ability. Of recent years, he had devoted most of his time to the affairs of the Crow's Nest Pass Musical Festival, of which he was secretary, and one of the original founders of the society. Being intensely fond of music and a very fine pianist, he was eminently fitted to hold this responsible position, and the splendid arrangements made every year to ensure its harmonious working are to a very large extent to be credited to his zeal and ability. He was a past master of Sentinel Lodge No. 26, A.F. & A.M., Hillcrest, of which he had been a member for twenty years. He had also held the office of grand organist in the Grand Lodge of Alberta, and last year was district deputy grand master for this district, which office, despite his failing health, he filled so well that he received special congratulations from the grand master. Whilst in hospital at Calgary, he was presented with a past district deputy's jewel, in recognition of his services, by Most Worshipful Brother John Kennis, grand secretary, and W. Bro. J. Brown on behalf of District No. 8.

The late Mr. Smith is survived by his wife, Mrs. Minnie W. Smith, and two sons, Arnold, residing in Montreal, and Clarence in Calgary. Funeral services took place at Calgary on Tuesday afternoon in Central United Church, conducted by Rev. Dr. George W. Kerby, G.M., assisted by Rev. Roy C. Taylor, of Coleman, formerly of Hillcrest. Members of this district. Prior to this service, a private service was held, in the Leydon funeral home. The remains were laid to rest in the Masonic plot in the Burnside cemetery.

During his address, Dr. Kerby mentioned having known Frank Smith since early manhood in Montreal. Masonic funeral rites were con-

ducted at the graveside by Perfection Lodge No. 9, of Calgary, at request of Sentinel Lodge, of Hillcrest. The Masonic oration was delivered by M. W. Bro. G. Cruickshank, assisted by Bro. W. H. Colley, of Calgary.

Among those present at the funeral, the following were noticed: Hillcrest—Dr. G. Blair Rose, R. Crichton, R. Richards, W. Stevenson, P. Haggerty, F. Willetts, Mr. and Mrs. R. B. Thornton, W. Hutchison, J. Douglas, Stirling Marshall, G. E. Cruickshank, Mr. and Mrs. H. Henderson, Mr. and Mrs. R. Henderson, Mr. and Mrs. H. O. Westrup, Mr. and Mrs. L. Fumagalli, D. Richards, B. Richards, A. N. Warriner and Mrs. R. Sillocks. Bellevue—C. Emmerson, J. Shevels and Fred Padgett. Blairmore—Mr. and Mrs. L. P. Robert, Coleman—Rev. Roy C. Taylor, Mr. and Mrs. W. L. Rippon, Mr. and Mrs. A. M. Morrison, and Lieut.-Col. R. F. Barnes. Macleod—Robert Patterson. Lethbridge—T. M. Burnett, Mr. and Mrs. J. B. Turney and Mr. and Mrs. J. Heinitz. Edmonton—R. G. Driaish, Calgary—J. W. H. S. Kennis, J. Brown, W. H. Colley, Mr. and Mrs. C. C. Snowden, W. McLean, Lt.-Col. P. Shields-Thorn, Mr. and Mrs. H. Waterhouse, Miss A. Foster, R. C. Boyland, E. T. Fitzsimmons.

Funeral services were held at Hillcrest, P. Haggerty, C. Emmerson, R. Padgett and S. Marshall, all of Hillcrest and Bellevue and members of Sentinel Lodge.

Chief mourners were Mrs. Minnie Smith, Mr. and Mrs. C. W. Smith.

The funeral cortege was fully a half mile long, and by courtesy of the chief of police, traffic in the city was held up to allow funeral procession to pass.

A full list of floral tributes, etc. will appear in the next issue of The Enterprise.

### WARM NOVEMBER WEATHER

Alberta has been experiencing a sort of second Indian Summer during the past two weeks, with very high temperatures at many points. The snow, which came in the latter part of October, has almost entirely disappeared in many places, and reports come from Southern Alberta that the cattle are once more on grass, and maximum temperatures there reached as high as 60 degrees early in the week. However, such warm weather is not entirely unusual for Alberta, for the records of the past ten years show some very high November temperatures during that period, as well as some quite low ones, of course. At Edmonton, in four of the ten years, the November maximum temperature was over 60 degrees, with a high record of 74 degrees in 1931. The average mean temperature for November in the ten years at Edmonton was 24 degrees. At Calgary, the ten-year record shows seven years in which the thermometer passed the 60 degree mark during November, with an average mean temperature for November during the ten years of 28 degrees. Lethbridge also had seven years in the past ten in which the mercury rose above 60 degrees in November, and its average mean temperature for November for the ten year period was 31.

We regret that we are not allotted sufficient space in which to do full justice to the splendid revue staged at the Columbus hall here on Tuesday evening under auspices of the local lodge of the B.P.O. Elks. The programme throughout, including pageant, choruses, plays, vocal and instrumental selections, illusions, etc., were all of the highest order, and coupled with excellent interval selections from the Upton thirty-piece orchestra, formed one of the most delightful programmes ever staged here. Every item was fully enjoyed by the large audience, and the hope is expressed that the programme, or

## DROP IN U. S. DOLLAR REACTS ON THE TARIFF

Ottawa, Ont.—The gyrations of the United States dollar are being viewed here with mixed feelings. The situation affords some measure of relief to Canadian debtors whose bonds are owned in the United States; but, on the other hand, one consequence is the lowering, to the exact extent of the depreciation, of the tariff protection at present afforded to Canadian industrialists.

In government circles the dollar's movements are being closely followed. It was indicated that if the margin between the currencies of Canada and the republic broadens out much more the government will invoke the power it already possesses under the Customs Act and will impose a dumping duty on imports from the United States.

Whether governmental action will take the form of fixing a proclaimed value for the United States dollar and collecting as a dump the difference between this and its depreciated value remains to be seen.

So far as Canadian debtors are concerned, the relief afforded them is in the abolition, due to the premium enjoyed by the Canadian dollar, of the sum, additional to interest rates, which had to be paid in order to bring these rates up to the level of New York funds at a time when the United States dollar was at a premium.

### Investigating Oil Prices

Result Of Preliminary Probe Will Govern Further Inquiry

Ottawa, Ont.—Examination into the oil situation in Canada is under way by officials of the cabinet investigation branch of the Department of Labor on charges by Mayor David Croll of Windsor, that gasoline companies were enhancing prices and throttling competition.

Costs and production figures for gasoline and crude oil, various reports in the hands of the Department and other material are being examined. On the completion of this preliminary investigation, decision will be made as to whether or not further detailed enquiry should be made.

In the 1932 session, a committee of parliament concluded that the cost of gasoline to the consumer in Canada was not "unreasonably high."

Gasoline prices to the consumer were advanced slightly more than 8 months ago.

### Tips Are Not Wages

New York.—Tips received by waiters are not to be construed as wages, the N.R.A. has ruled. The ruling, made by the New York City Compliance Board, reversed an earlier one after protests had been sent to Washington by representatives of the 150,000 waiters employed in New York City's 28,000 hotels and restaurants.

### Prince Helping Young Farmers

London, Eng.—The Prince of Wales is instituting a scholarship at the Agriculture College of Devonshire for pupils from his Duchy of Cornwall estates who wish to adopt agriculture as a profession. The Prince made this announcement when dining at the banquet celebrating the 25th anniversary of the National Farmers' Union.

### Demand For Beef

Calgary, Alberta.—Big demand for grain fed beef steers from Canada will be forthcoming from the British market next spring, according to Jack Byers, manager of Western Stock Growers' Association, home from a trip to England.

### Opium Cache Seized

Vancouver, B.C.—Opium valued at \$1,100 is held by police and three Chinese are under arrest here charged under the Narcotic Drugs Act. Police state the Chinese came ashore from their ship, "City of Victoria," Tuesday morning and were negotiating to sell the opium when they were arrested.

### West Is Appreciative

Ottawa, Ont.—Western Canada was deeply appreciative to eastern Canada for several consignments of relief supplies sent by private groups in Ontario and the maritime provinces. W. J. Loucks, Conservative member for Rosemont, Sask., stated here.

### Seadrome In Atlantic

Washington.—Secretary for Commerce Roper said the public works administration had allotted \$1,500,000 for building a seadrome, a quarter the regular size, 500 miles off the Atlantic coast, for experimental purposes.

W. N. U. 2021

## Naval Programme

British Government Decides To Build Two Large Cruisers

London, Eng.—Faced with the fact other naval powers in their building-up or replacement programme are going in for cruisers of the most powerful type, the British government felt it be known it had reluctantly decided to substitute two 9,000-ton cruisers and one 5,400-ton ship for the four smaller cruisers of the 1933 replacement programme.

"If our programme, as already approved, should be carried out, the new cruisers would be definitely inferior to those being developed by other powers," pointed out Sir Bolton Symonds-Monell, first lord of the admiralty, making the announcement in the House of Commons. "As the House is aware, however, our total cruiser tonnage is limited by the London naval treaty."

"The result is we have been on the horns of a very serious dilemma. If we proceeded with our original programme, all cruisers we should be building would be definitely inferior to certain of the cruisers being built by other powers. If, on the other hand, we are to build any cruisers comparable to these vessels, we must reduce our number from four to three. The first alternative could not be accepted."

The substitute 9,000-ton cruisers would have increased armament, which presumably means they will have more numerous six-inch guns than the smaller vessels they replace, rather than have eight-inch guns, the cruiser maximum.

Sir Bolton emphasized the British government did not contest the right of other powers to build up to a treaty strength if they wished. It was recalled, however, Britain suggested when the recent U.S. programme was announced that it might be unfavorable to the progress of disarmament.

## Fair Prices For Products Of The Farm

Prices That Would Be Fair To The Farmer, Distributor And Consumer

Ottawa, Ont.—The importance of securing fair prices for agricultural products was stressed by Hon. H. H. Stevens, Minister of Trade and Commerce, in the course of an address to the Eastern Ontario branch of the Canadian Society of Technical Agriculturists here.

Mr. Stevens suggested that technical agriculturists might draft a detailed policy for Canadian agriculture and periodically suggest minimum prices for agricultural products of number one quality. These prices should be fair to the farmer, the distributor and the consumer.

The minister said he hoped that the day for collectivized farming would never come in Canada. Canadian farmers were individualists, and he hoped that they could always remain so.

## Heavy Succession Duties

Ontario To Receive \$425,000 From Sifton Estate

Toronto, Ont.—Ontario treasury officials said a settlement had been reached between the government and the executors of the estate of the late Sir Clifford Sifton, by which the government will receive close to \$425,000 in succession duties.

Certain matters in the estate and the duties to be paid have been in dispute for some time with the result the government threatened to take action to recover.

### Appointment For Greenwood

London, Eng.—Lord Greenwood, uncle of Whitby, Ont., and better known in Canada perhaps as Sir Hamar Greenwood, has been appointed honorary treasurer of the Conservative party. This office has been relinquished by Lord Ebbisham, owing to pressure of business and political engagements.

### Prefer Canadian Rule

Juneau, Alaska.—The Alaska Native Brotherhood, composed of Indians, asked in a resolution in annual convention that the southeastern Panhandle section of Alaska be sold to Canada. Speakers said the Dominion "takes care" of its Indians better "than Uncle Sam does."

### French Flares Cross Desert

Gao, French West Africa.—Twenty-five planes of the French "Black Squadron," which are flying from France across Africa, landed here from Bidon Five, the lonely Sahara gasoline station. Three ships remained there to help one which had motor trouble.

## States Idea Is Preposterous

Father Of Lieut. Baillie-Stewart Denies He Has Confessed

London, Eng.—The startling fact that Lieut. Norman Baillie-Stewart, colonel-in-chief of the Tower of London, had fully confessed his guilt shortly after his court-martial and sentence to five years' penal servitude under the Official Secrets Act, was revealed in the House of Commons.

Lieut. Baillie-Stewart was incarcerated in the Tower of London several weeks before his conviction on seven out of 10 charges against him, when he was also cashiered from the army in which he was attached to the Seaforth Highlanders.

Captain Alfred Duff-Cooper, secretary to the war office, conveyed the information in answer to questions from John McGovern, Henry Labouchere, who sought to reopen the case.

Colonel Wright, father of Lieut. Norman Baillie-Stewart, young Seaforth Highlander now imprisoned in the Tower of London, told the Daily Mail the idea his son had confessed was "absolutely preposterous."

Statements made in the House of Commons by Alfred Duff Cooper that the young officer "had made a full confession of his guilt soon after his conviction," provoked a denial from another member of the House.

## LORD MACMILLAN PRAISES BANKERS OF DOMINION

Toronto, Ont.—A definite program calculated to accelerate business betterment in Canada will, it is understood, be announced shortly by Prime Minister R. B. Bennett. The Globe said in an Ottawa despatch, Mr. Bennett is understood to have been encouraged by the recent distinctly improved trend in trade and federal revenues, and is now evolving policies designed to produce a forward movement.

The despatch also reports there will be a conference with provincial politicians to see what can be done in the way of providing short-term and intermediate rural credits proposed by the Macmillan banking commission report.

Another feature of the government's program, the story continues, is the proposal to revivify the stagnant construction industry throughout the Dominion, thus providing employment for thousands of artisans who have been out of work more or less for two or three years. An effort will be made to bring about an increase in the prices of farm products, particularly livestock and butter.

## Shipping Durum Wheat

Canadian Raisers Profit By North Dakota Embargo

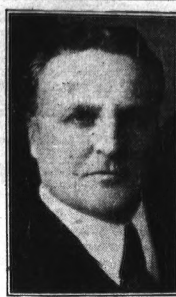

Minneapolis, Minn.—Canadian raisers of durum wheat have taken advantage of the North Dakota embargo and are shipping their products here. Grain men said that, with only a limited amount of durum needed, the wants will be supplied soon by Canadian durum so that when the North Dakota embargo is lifted farmers of that state which produce the bulk of durum raised in the United States may be without a market.

## NEW YORK'S NEW MAYOR AFTER VICTORY

Mayor-elect Fiorello H. LaGuardia, pictured with Mrs. LaGuardia as they acknowledge the tumultuous ovation accorded them on their arrival at the banquet to celebrate the Fusion victory in New York's municipal election. The mayor-elect shows no trace of the strain after such a strenuous campaign.

## TAKES OFFICE

Hon. T. D. Pattullo, Premier-elect of British Columbia, who was sworn into office on Nov. 15th, the result of his party's victory in the Provincial elections. This is a new portrait of the Liberal Leader.

## Trade Volume Shows Increase In October

Over Seven Million In Excess Of October Last Year

Ottawa, Ont.—Canada's trade volume continued its upward movement during October, according to the national revenue department, the total volume of \$101,203,153 being \$7,582,533 in excess of the corresponding month a year ago. The export balance of approximately \$19,000,000 varied very little.

Eight of the 12 principal items of export showed increases and four dropped.

The most spectacular rise was in exports of unmanufactured nickel, which rose from \$900,443 in October a year ago to \$2,435,472 last month, an increase of 406 per cent.

Export of planks and boards was up for 208 per cent. Increase of 100 per cent in export of partially manufactured copper, 220 per cent. In meat exports and 143 per cent. in fish exports featured the upward surge. Wheat flour and woodpulp exports also showed marked increases.

## Student Aviator Injured

Young Chinese Hurt In Accident At Saskatoon Aerodrome

Saskatoon, Sask.—Falling from a high altitude when his machine slipped into a tailspin, Tony Wong, 24-year-old Chinese student aviator, suffered painful injuries in a plane crash near the Saskatoon aerodrome. The machine, owned by the Saskatoon Aero Club, was badly damaged. Wong was taken to hospital with injuries to his face and leg.

This was the first plane mishap since the Saskatoon Aero Club resumed operations two years ago, but it was the second accident on the Vance farm.

## Quebec Staging Dog Derby

Quebec, Que.—The Provincial Dog Derby Club, Inc., has decided to hold an international derby at Quebec, February 23, 24 and 25. Famous dog drivers from Alaska, Manitoba, New Hampshire and other parts of the continent are expected to compete. The total distance raced will be 120 miles in three 40-mile laps.

## Pattullo Cabinet Sworn In

Wealth Of Material In New Legislature Shows Premier

Victoria, B.C.—The Liberal Government of Thomas Dufferin Pattullo was sworn in by Lieutenant-Governor J. W. Forthman, Johnson, of British Columbia, one hour after the retiring premier, Dr. Simon Fraser Tolmie, had officially tendered his resignation and that of his cabinet.

His cabinet is: Thomas Dufferin Pattullo, Premier, Rupert, minister of the council and minister of railways.

George Moir Weir, Vancouver, provincial secretary and minister of education.

Gordon McGregor Sloan, Vancouver, attorney-general.

Arthur Wellegray Gray, New Westminster, minister of lands.

John Hart, Victoria, minister of finance.

Kenneth Cattenach, Macdonald, Vernon, minister of agriculture.

George Sharratt Pearson, Nanaimo, minister of mines and labor.

Frank Mitchell Macpherson, Cranbrook, minister of public works.

Of cabinet-making the premier said:

"The only thing more distressing than running a government is forming one, because of the personal equation. There is a wealth of material in the new legislature."

## Royal Winter Fair

B.C. Sending Youths To Compete In Judging Events

Victoria, B.C.—In co-operation with the Canadian council of boys' and girls' clubs, the British Columbia Department of Agriculture is sending a team of four boys and two girls to Toronto to compete in the junior judging events of the Royal Winter Fair.

Two boys, from Vernon district, constitute a poultry judging team, and two boys from Kamloops, and two from the Fraser Valley, represent club clubs and swine clubs respectively.

The teams are being accompanied by R. C. Sutton, district agriculturalist, New Westminster, and leave for Toronto Thursday.

In 1932 the poultry team from Grand Forks, B.C., won first place at Toronto.

## RECOVERY PLAN FOR CANADA IS LIKELY PENDING

London, Eng.—"Nothing impressed Sir Charles Adams and myself more than the high character, sense of responsibility and integrity of the bankers of Canada," declared Lord Macmillan, chairman of the royal commission which recently investigated the Canadian banking system, when he spoke at a luncheon of the Canadian Chamber of Commerce in London, England. Sir Charles was his English colleague on the commission.

Lord Macmillan was one of the principal guests at the luncheon, others of the distinguished gathering including J. H. Thomas, secretary for the Dominions; Prince Arthur of Connaught, Hon. G. Howard Ferguson, Canadian High Commissioner, and the Lord Mayor of London.

Referring to the cardinal recommendation of the bank commission's report, urging establishment of a central bank, Lord Macmillan said that whether it was acted upon remained to be seen. It was not a political question, but one of purely economic and business policy.

"I am frankly convinced Canada is on the threshold of a great development," he added.

Mr. Ferguson declared the results of the Ottawa pacts had so far been most encouraging.

"There is not a Canadian business man or a real citizen of the empire who is not seriously disturbed at the condition of the world today," declared Mr. Thomas.

"It is absurd," the minister said, "to assume the continent of America can for one moment isolate herself from the events and happenings in Europe. It is equally absurd to assume we can be blind to events happening on the American continent."

"We all hope the policy the United States is following will succeed. No body can dogmatize but it is certain the actions of the United States will have their first reactions upon Canada."

"In the Dominion today there was, to his personal knowledge, no bounded faith and confidence in the future, he added.

## SAMUEL EXPLAINS WHY PARTY WILL SIT IN OPPOSITION

London, Eng.—In an address to the nation Sir Herbert Samuel told why his group of 30 or so Liberals would cross the floor of the House of Commons and sit with the opposition.

On almost all matters except Indian Affairs, Sir Herbert said, his group found itself compelled to adopt an attitude of criticism toward the national government. He instanced policies of the government regarding unemployment, housing and agriculture. He said his Liberals were profoundly dissatisfied with the course of events—a disarmament effort, the "most vital issue of the day," in which they believed the cabinet had displayed lack of zeal and its negotiators lack of skill.

Clearly, he said, the Liberal followers of Sir John Simon, the foreign secretary, were destined to be swallowed up by the powerful Conservative organization, forming the backbone of the government.

His own party, he declared, would be completely independent and its policy would include maintenance of peace, pursuance of the work of the League of Nations, seeking to effect in close collaboration with the United States, a gradual reduction of trade restrictions and a vigorous policy of national government.

## Suggest Market Plan For Farm Produce

Idea Presented By Secretary Of Ontario Growers' Marketing Council

London, Ont.—Radical ideas on the marketing of Canadian agricultural products were presented to local fruit and vegetable growers by C. W. Bauer, secretary of the Ontario Growers' Marketing Council.

Based on the British Agricultural Marketing Act, the scheme, proposed by the council and backed by the Ontario Department of Agriculture, calls for legislation which will empower a majority of organized growers of any one product to market that product and force minority growers to fall in line.

It is hoped to make the scheme applicable throughout the Dominion. Growers in British Columbia, Nova Scotia, New Brunswick and Quebec are understood to be strongly in favor of the plan.

## New Nazi Criminal Code

Contains Draconic Measures For Anyone Breaking Law

Berlin, Germany.—The new Nazi criminal code, containing some of the most drastic penal measures of modern court history, has been made public in detail.

Indefinite sentences up to life imprisonment, as in many American state laws, face habitual criminals under the new code. Even beggars and tramps can be committed to detention homes for indefinite periods at hard labor.

German judges are given boundless discretion in the cases of criminals "of whom lapses can be assumed." "These offenders will not be released after serving out their sentences but will be obliged to perform forced labor" so long as they constitute a public menace.

The code defines habitual criminals as second offenders.

## Moving Famous Landmark

London, Eng.—Westminster hospital, almost as famous a London landmark as either of its big neighbors, the Houses of Parliament and the Abbey, is to come down. After 20 years' deliberation the governors, chief of whom is the Prince of Wales, have decided to make a move to a site some way farther west, near to Lambeth Bridge.

## Entering Civic Politics

Vancouver, B.C.—The Co-Operative Commonwealth Federation, through authority of the greater Vancouver joint district council, C.C.F., announces it will enter civic politics in Vancouver by contesting those aldermanic, school and park board seats which fall vacant for the December 13 elections.

## Valued Painting Found

Toronto, Ont.—A portrait of the late Dr. Goldwin Smith, painted by John Russell, was found in the cellar of the University club here, its frame wrecked, the canvas punctured, and the painting heavily marred by the moisture of the basement. The artist valued the work at more than \$7,000.

Display advertising rates on application.  
W. J. BARTLETT, PUBLISHER

Blairmore, Alta., Thurs., Nov. 23, 1953

Only recently, the town council of Blairmore, in an added effort to raise money for the unemployed, imposed a business tax, plus a license, on local meat markets. And it is very interesting to note that instead of patronizing these well conducted meat markets and thereby helping them to pay that tax and license, one or more members of our council are purchasing meats direct from the farmer, from whom the town does not collect a red cent. Where's the principle?

On Monday of this week, Mr. V. Kotas, occupant of the Blossomwood Ranch, north of Frank, reported seeing a robin near his home that morning—November the 20th. In the good old days, when Mr. and Mrs. Mark Drumm made their home at Blossomwood, they had the reputation of being the last in the fall and the first in the spring in Alberta to see the red-breasts.

When A. A. Buck, of the Alberta Relief Commission, visited Blairmore in October, he was in a position to report that cost of living down here had advanced slightly in a period of six months. How his decision was arrived at we know not, but we do know this that for a certain element cost of living has not advanced, while those who are actually paying the piper—the property owners and business people—are suffering such increase in the cost of their living that they are just unable to meet them. The pockets of the money hoarders have not been touched.

A pathetic case was revealed recently when two young unmarried men applying for relief objected to going on a farm under the \$5.00 a month and board plan, on the ground that they did not know anything about farming. They requested that instead they be given the \$5.00 a month and be allowed to remain in town. If world conditions were not so serious, this incident would indeed be humorous. Just imagine two able-bodied young men admitting that they are so dumb, so dense, so absolutely devoid of initiative, resourcefulness or learning that they have not sense enough to know how to throw straw to a cow, clean out a stable, carry swill to the pigs, throw grain to the hens, mend a fence or any one of the dozens of other such chores done around a farm at this time of year. Ye gods! What are we coming to?—Redcliff Review.

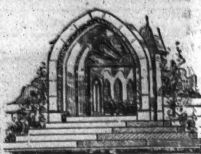

As to Communism ever amounting to much in this dominion, perhaps it is a matter solely of private inclination. For my own part, on the merits of post-dated revolution, I am inclined to feel something like the stuttering gentleman who saw a giraffe for the first time in his life. He gazed at its lengthy neck in wonder and turning to his companion said, "Hell-hell, I don't believe it." Apart from the promise of the ultimate, about the only thing that Communism holds out to Jack Canuck is a hearty invitation to have his skull cracked in a dozen places by some over-sized policeman. About the only way I can see Communism succeeding in this country is by the word "Communist" being dropped altogether. If the populace were told that it originated with an Empire Loyalist, from some hamlet in Bruce County, Ontario, they would listen. As it is, its birthplace and its founder are under a cloud and Jack Canuck regards them both somewhat queerly. Jack doesn't like the furrier.  
—Pat Coiroy.

# UNITED CHURCH ANNIVERSARY PROVIDES HISTORY

The anniversary services at the Blairmore United church on Sunday last were very largely attended. At the evening service, the building was literally packed to standing room. Service was in charge of the pastor, Rev. A. E. Larke, with Rev. Dr. Powell, superintendent of missions, of Calgary, as guest speaker. Dr. Powell delivered a forceful discourse, taking for his theme, rather than anniversary, "Pioneerism." Following the sermon, the roll call of old-timers, or pioneers of the church in Blairmore, was called by Mr. Larke. Those resident in the town and connected or affiliated with church work during the period seventeen years ago and previous were called upon to stand, and it was found that among the oldest old-timers were Mrs. John McPhail, thirty-three years; Mr. A. May and Mrs. F. McLaren among those of thirty to thirty-two years, etc. During the service, letters were read by Mr. Larke from various ministers who had officiated in Blairmore or other Pass Protestant churches since 1905, and these were further augmented by reference by Dr. Powell to others who had performed noble service here as far back as 1902, mentioning particularly Rev. Mr. Ward. Among those mentioned, and from whom letters of congratulations and well wishes were received were the following:

Rev. C. R. Carscallen, M.A., D.D., principal of the Ontario Ladies' College at Whitby, Ontario, who officiated at Blairmore, Coleman, Frank and Bellevue, with occasional visits to lumber camps during 1905 and the winter of 1904-05. At that time, method of travel was the railroad tracks on foot, and he became quite an accomplished hiker. He congratulated the people of Blairmore on the consummation of union between the Baptists and Presbyterians of Blairmore, and the Methodists of Frank, and extended best wishes. He doubted if there would be present anyone who could remember him back in 1905.

Rev. Joseph B. Francis, Glenora, Manitoba, hoped the anniversary would be the best yet, and had a feeling it would be, for one of the outstanding characteristics of the Pass people is their ability to put things over. Mr. Francis arrived in Blairmore in June, 1905, twenty-eight years ago last June. He, too, wondered how many present on November the 19th could remember him. Blairmore at that time had a population of about 400, largely foreign. They worshipped in the mission hall, south of the track (today a residence on State Street east). The parsonage was a little shack, 12 x 16, built of green lumber, which when dried out provided ample ventilation. On his first day in The Pass he met two noble souls, Rev. T. M. Murray, pastor of the Institutional church at Coleman, and George G. Harris, school teacher. Mr. Harris is now school inspector at Moose Jaw, Sask. His predecessor was Rev. Carscallen. The ceiling job of the mission hall was the work of Mr. Murray and Mr. Francis. People of Blairmore may be interested in knowing where this union spirit started, he thought. The new plan, as consummated twenty-seven years ago, gave Mr. Murray Coleman, Blairmore and Lille, while he had Frank, Bellevue and Hillcrest. He baptized the first babe born in Hillcrest, named after the town, "Hillcrest Reach." The ceremony took place in the home of Mr. and Mrs. C. P. Hill. Two years ago last summer, Mr. Francis had the pleasure of motoring through The Pass, on the way to the coast, and was amazed to find the older portion of the town of Frank had disappeared. It gave him a queer feeling as he stopped on what was the main street of Frank, possibly in front of where stood the Imperial hotel, operated at that time by Mr. Steeves. He got out of the car and pictured the town as he knew it. He was not sure if he was standing in the land of the living or the dead. In the slide

BLAIRMORE UNITED CHURCH  
Rev. Albert E. Larke, Minister  
"Serve the Church that the Church May Serve You."

Services Sunday, November 22nd, the minister in charge.  
11 a.m.—SENIOR SCHOOL.  
2 p.m.—JUNIOR SCHOOL.  
7:15 p.m.—SONG SERVICE.  
7:30 p.m.—PUBLIC WORSHIP.

they also stopped to view that gigantic disaster. Mr. Francis has a lecture, entitled: "Scaling The Heights," which deals with experiences gleaned in climbing Turtle Mountain and the Frank slide. This he has delivered on several occasions. He wished to say "hello" to some oldtimers, including the Emmersons, the Humbles, the Pinkneys and the Thompsons ("Fred—I married them").

Rev. Dr. F. Stacey McCall, principal of Alberta College, sent greetings. He officiated at Frank in 1910, in what was then looked upon as the only Knox Methodist church in the world. He was student-pastor. That summer the church was purchased from the Presbyterians. The preacher was of Scotch extraction—not absorption. Following renovation, the building was re-dedicated by Rev. Dr. Chown to the cause of Union. At that first service, he said "This was an event unique in the history of the world—the opening of Knox Methodist church." As a United church, it was the forerunner of the greater union which took place later. As such, it paved the way for union.

Rev. T. D. Jones, who officiated in the Methodist church at Bellevue some years ago, coming west from England, via Newfoundland, sent greetings from Enlvalde, Ontario, where he is pastor of the United church.

J. F. Hunter, of Calgary, former pastor of the First Baptist church, now the Central United church, Blairmore, congratulated the congregation upon attaining another milestone. Baptist work in The Pass began with the late F. M. Pinkney, who held services in Frank and Blairmore. Baptist families included the Pinkneys, Thompsons, Evans, Thomas, Greshams, Snelchairs and Kidds. Baptist services were held by Mr. Pinkney in the Presbyterian church at Frank and the mission hall in Blairmore. Rev. James Sargent took charge of the work in Blairmore and Frank in 1908, later building the church here. About March, 1915, representative of the Presbyterian church began negotiations with the Baptists to have one pastor, and eventually Rev. Dr. Gray took charge of the two congregations, with very great acceptance to both, as also his successor, Rev. Mr. Fulton.

Rev. Dr. E. H. Gray, first minister of the union here, wrote from Greenfield Park, Quebec, extending congratulations. He stated: "We must act in the living present, and must build for the future. And so it is that I pray God to bestow upon yourself and my old congregation the gift of grace abundant, for the reaping of the fields that are white, all ready to harvest."  
"Many happy returns of the day" from Rev. W. T. Young, who was third pastor of the union, now of Calgary. Mr. Young came to Blairmore during the dark days of the war. During his term as pastor, the congregation grew to large proportions. Auxiliaries, such as Sunday school, Taxis, C.G.I.T., Ladies' Aid, etc., all became very active organizations. Mr. Young gained popularity through his untiring interest in sport and the Next Pass Musical Festival, at which he is considered the father and founder.

Greetings were also received from

Rev. J. W. Smith, now pastor of Hylands United church, Edmonton, and others, all of which provide a volume of history of church work in Blairmore and The Pass.

## ST. LUKE'S CHURCH NOTES

Rev. A. S. Partington, B.A., Rector

Services Sunday, November—26th.  
Sunday school in the hall at 10 a.m.  
Evening service at 7.30 in the church, in charge of Rev. Barlow, of Brockton.  
Bible class each Wednesday evening during winter at 7.30, in the church.  
Don't forget the Tea and Sale of work on Saturday, in the Scout's hall.

## BLAIRMORE PUBLIC LIBRARY

Books being placed on the shelves this week are:

"Bunch at Boarding School," E. Talbot; "The Rapids," Alan Sullivan; "Deedles," Sidney Hastings Webb; "Twenty-Five Selected Stories," O. O. McIntyre; "Maria Chapdelaine," Louis Hemon.

The Library hours are Tuesdays, Thursdays and Saturdays from 7 to 9 p.m. The fees are \$1.00 for residents and \$2.00 for non-residents per year.

## MacNEIL — SALT

A quiet and pretty wedding took place on Wednesday morning, November 8, in the vestry of St. Cecilia church, Bellevue, when Eileen Jones, youngest daughter of Mr. Percy Salt, Hillcrest, became the bride of Mr. Donald J. MacNeil, of Princeton, New Jersey. Rev. Father Donovan officiating at the ceremony.

Before departing on the afternoon train, the bride and groom, together with a few of their intimate friends, were the luncheon guests of Mr. and Mrs. Percy Salt at Hillcrest.

Following their honeymoon, Mr. and Mrs. MacNeil will reside in Blairmore, where the former is engaged in regional geological work.

## BATTRUM'S MOTION REJECTED

WINNIPEG, Nov. 18.—The door permitting professional and amateur athletes to intermingle was closed by the Amateur Athletic Union of Canada today. But two concessions were granted, one to amateurs aspiring to be professionals and the other to professionals seeking to return to amateur pure ranks.

Like a  
**SKYSCRAPER**  
built on  
**ROCK**.....

A great building depends for its stability on the strength of its foundations. So in the world of commerce the goodwill of a business house depends on the soundness of the principles that guide it. Today, more than ever before, the confidence only in such institutions as are built on the bed-rock of integrity.

The EATON Mail Order service in Western Canada was built more than 25 years ago on foundations that have stood the test of time. The rock of Scientific Truth supports the giant edifice of buying and selling that lies behind the Catalogue. EATON'S Research Department is your assurance that each piece of merchandise conforms to EATON high standards, that each Catalogue description is strictly accurate. That is why EATON'S has become the "skyscraper" of Canadian commercial enterprise.

T. EATON CO. CANADA  
WINNIPEG

**EATON'S**

The convention rejected a motion sponsored by E. D. Battum, of Calgary, and P. J. Mulqueen, of Toronto, which would have given any governing body affiliated with the A.A.U. of C. the privilege of permitting professionals to play with amateurs without jeopardizing the status of the amateurs.

Previously the convention voted to grant amateurs the right to a trial period with professional teams provided a written invitation from the professional club was produced and sanctioned by the amateur branch was granted.

Rallying to support the Navy League of Canada in its work of assisting widows and orphans of men of the merchant marine service, Blairmore and Frank citizens subscribed \$27.00 to this cause in a recent campaign conducted by Fred Cooke, organizer of the Alberta division.

## District News

From Our Own Correspondents

### HILLCREST HAPPENINGS

The following teachers attended the convention in Lethbridge last week: Misses E. Strachan, I. Turner, A. Martin, B. C. Selton, and Messrs. J. Collins, A. Chrysler and W. Webster.

The members of the Hillcrest string orchestra held a party in the K. of P. hall on Wednesday, in honor of their conductor, Mr. W. H. Moser. A testimonial was presented in recognition of his services.

Miss A. Martin held a party for her pupils in the action songs class, which competed in the Crow's Nest Pass Musical Festival. The children declared they had a wonderful time. Mr. and Mrs. P. Leluk are rejoicing over the birth of a daughter last week.

R. Silecks and P. McNeil, who have been on a week's hunting trip in the North Fork country, have returned with two very fine deer.

A very successful dance was held by the Ukrainian Society on Saturday. Music was supplied by the Bandits orchestra.

Mrs. H. Stobbs left Tuesday afternoon for Eastern Canada, accompanied by her son Douglas.

We understand that Fred Gregory is resuming the management of the Hillcrest hotel.

H. McVicar left hurriedly last week for Glace Bay, C.B., having received news of the serious illness of his mother. We regret to learn that Mrs. McVicar passed away shortly after his arrival there.

The Hillcrest skating rink is being opened this year under management of John Andrichuk.

A shower was held in the K. of P.

### Powerful Skin Remedy Discovered

This wonderful antiseptic, known all over America as Moore's Emerald Oil, is so efficient in the treatment of skin diseases that the itching of eczema often stops with one application.

A few applications and the most persistent cases of Eczema often are healed, never to return.

Moore's Emerald Oil is safe and pleasant to use and it is so powerfully antiseptic and penetrating that even old stubborn cases have yielded to its influence.

Moore's Emerald Oil in the original bottle is guaranteed by the Blaimore Pharmacy and druggists everywhere to rid you of stubborn pimples and unsightly skin troubles or money back.

### GOVERNMENT LIQUOR CONTROL ACT OF ALBERTA

#### APPLICATION FOR BEER LICENSE

PUBLIC NOTICE is hereby given that the undersigned intends applying to the Alberta Liquor Control Board for a License to Sell Beer by the glass or open bottle, for consumption in conformity with the provisions of the Government Liquor Control Act of Alberta, and regulations made thereunder with respect to the following premises:

The Beer Sales Room on the east side of the ground floor of Hillcrest Hotel, situated on Lot 6, Block 33, Plan 5150-S, Hillcrest.

DATED at Hillcrest, Alberta, this 16th day of November, 1933.

FRED A. GREGORY, Applicant.

hall, in honor of Mrs. R. Henderson (nee Betsy Stobbs). Between sixty and seventy ladies attended. Whist was played early in the evening, the winners being Mrs. P. Haggerty and Mrs. P. McNeil. After a dainty luncheon, Mrs. Henderson unwrapped the many beautiful gifts, and in a brief speech expressed her thanks to the donors.

### COWLEY HAPPENINGS

A dance was held in the Lundbreck community hall on Friday night last, in aid of the Anglican church fund.

A considerable amount of work is now being put on the new skating rink at the east end of town. In order to raise funds necessary to put the rink in shape, a dance will be held in the I.O.O.F. hall on the night of December the 1st.

On November the 15th, a daughter was born to Mr. and Mrs. Baurassa. George Porter shipped 200 head of cattle to Monarch on Friday for winter feeding.

Mr. Peterson, senior employee of the C.P.R. section crew, has moved his family into town, taking up residence in the James Leigh house.

Rev. Dr. Powell delivered a stirring address on Monday evening if the United church, taking for his subject "The Greeds of Men." He was assisted by Rev. A. E. Larke, of Blaimore, who made a very able chairman. A very pleasing programme of musical numbers was given during the early part of the evening, with those taking part being Mr. J. E. Upton, Miss Jean and Mr. Roy Upton, Miss Lena Fraser, Miss Rose Oliver and Mr. Larke, all of Blaimore. After the meeting, a dainty luncheon was served by the Ladies' Aid.

### BELLEVUE HAPPENINGS

W. Buntin, who has been a patient in the local hospital for about two weeks, suffering from a broken leg, was allowed to return to his home this week.

The first meeting of the Bellevue Curling Club was held on Tuesday evening in the curling room of the arena, when the following officers were elected to carry on the season's programme: F. Wolstenholme, president; C. Johnston, vice-president; J. Curry, secretary; C. R. Ritchie, E. Cranston, J. Couzens and W. Kerr, committee.

Mrs. H. Newton, senior, was admitted to hospital here early this week, where she underwent an operation, and is reported doing nicely.

The Ladies' Aid of the United church held their annual tea and sale of home cooking and fancy work last week end, which was very well attended and a nice sum was realized.

The whist drive and dance, sponsored by the First Aid class, was very well attended. Prizes for cards went to Dorothy McDonald, ladies' first; Enis Chilaravano, second; Harry Jepson, junior, gent's first; C. Emerson, second. After cards, dancing was enjoyed till an early hour of the morning to music supplied by the Band-Its orchestra.

Mr. and Mrs. F. Utley and two children, accompanied by Mrs. H. Harrison, were Lethbridge visitors the early part of the week.

Mrs. G. Key entertained a number of friends at her home on Friday last.

A number of the teachers of the Bellevue United Sunday school attended the instruction classes held in Coleman under supervision of Rev. Mr. Hilbert.

John McDonald, of San Jose, California, is visiting here, the guest of his sister and mother, Mrs. S. McDonald.

The children of Mr. and Mrs. W. McInnis held a nicely arranged surprise party on Friday evening in the Parish hall, when a large number of their friends gathered to wish Mr.

and Mrs. McInnis many years of happiness on the occasion of their twenty-fifth wedding anniversary. The evening was happily spent in games and dancing, and after the serving of a dainty luncheon, the gathering dispersed with the singing of "For They are Jolly Good Fellows."

Mr. and Mrs. H. Meade are Calgary business visitors this week.

Mrs. F. Hallworth held a reception at her home on Thursday last, when a large number of guests were present.

The bridge drive held in the Catholic hall on Tuesday evening was well attended. Prizes were won by Mrs. R. Blake, ladies' first; Mrs. Wm. McDonald, second; Bob Blake, gent's first; Bill Koentges, second. After bridge, dancing was indulged in for an hour.

### RUNIC INSCRIPTIONS GIVE HISTORY

Moncton, N.B., November 20.—The finding of a gray weather-beaten stone bearing a runic inscription, near Sandy Hook, a summer resort on Lake Winnipeg, as indicated in a Canadian Press dispatch from Winnipeg, pointing to the visit of the Norsemen to Manitoba and the Hudson Bay country prior to Columbus, has its counterpart in the finding of a boulder with a runic inscription, at the head of Yarmouth Harbor, Nova Scotia.

The existence of this boulder, which weighs approximately 400 pounds, and is now in the public library at Yarmouth, had been known for nearly a hundred years before its identity was established in 1880. Henry Phillips, Jr., corresponding secretary of the Numismatic and Antiquarian Society of Philadelphia, Pa., in that year translated the inscription to read "Harko's Son addressed the men."

In following the matter further he found in the old Norse sagas, that in the expedition of Thorfinn Karleifsson in 1007 A.D., the name of Harko occurs among those who accompanied him.

Never a believer in the pre-Columbian discovery of America, the finding and translation of this boulder compelled Mr. Phillips, who was an authority on Runic lore, to change his view and convinced him that the inscription was a genuine one and that it pointed to the landing of the Norsemen in this part of Canada, which is identified with Markland in the sagas of the Norsemen.

According to the Lethbridge Herald of Saturday, G. C. Coote, M.P., is quoted as saying: "I see no reason why Canada should not recognize Russia, diplomatically or otherwise. The U.S. step was a sensible one. Canada needs trade, Russia is willing to trade with us. Why not get together? However, I see little hope of such a step from the present government at Ottawa."

A boast was made by Harvey Murphy during the debate on Saturday that Blaimore was the only town in Canada with a council that would undertake to increase relief allowance. But he forgot to state that the increase was to come from the pockets of people who had "real" interest in Blaimore—vested interests—and that because of the council's Red undertaking, it was the only town in Canada to which the provincial and federal governments were obliged to discontinue co-operative support.

T. D. Pattullo, the new premier-elect of British Columbia, was born in Woodstock, Ont., of a well-known Liberal newspaper family, his father having been Geo. R. Pattullo, afterwards registrar of Oxford county. The son was on the newspaper staff of the Galt Reformer in his youth, rushed in the Yukon in the gold-rush days, landing up at Prince Rupert; sat in the British Columbia Legislature for 17 years, and held a portfolio for twelve. The past five years he has been the aggressive leader of the Liberal opposition in the B.C. legislature.

Happy is the man who buries his past so deep that it can't come back and haunt him.

Many a man who used to play golf to keep in the pink has given it up to keep out of the red.

Professor W. A. Middleton, of the N.S.A.C. staff, Truro, Nova Scotia, has taken up farming near Vernon, British Columbia.

William K. Vanderbilt III, aged twenty-seven, was killed and two persons injured on November 21, 1932, when Vanderbilt, enroute from Miami to New York, attempted to pass a truck on a curve and his car turned over.

Canadian cattle received in Great Britain in September numbered 5,261, compared with 451 in September, 1932. During the past nine months, the supply was 35,996, compared with 16,081 in the same period of 1932.

A minister came upon a member of his flock, staggering home, and gave him a helping hand. Pressed to enter the house, he demurred. "Come awa' man," he was urged, "an let the guid wife see wha I've been wi' a' night!"

James Campbell Greenlees, aged 22, met with a fatal accident on a farm near Fincher Creek on Friday morning last. Reaching with his left hand to the horn of the saddle, he accidentally caught the trigger and the gun went off, the bullet going through his head.

What next! The latest production from the Japanese machine shops is an automobile operated by clock-work machinery. With one winding-up, it will run for forty miles and sells for only \$140. The innovation was recently secretly introduced in Calcutta, India, and is a source of worry to British dealers, who have suffered greatly already from Japanese competition.—Ex.

An old Methodist preacher, while riding in the district north of Cowley twenty-four years ago, came upon a small boy fishing. He said: "Look here, young man, don't you know it's wrong to catch fish on Sunday?" The boy replied: "I ain't ketchen 'em." The preacher then asked: "Do you go to school?" to which the boy responded "No!" The minister further said: "What, you don't go to school? I am surprised to find a boy your age not in school. You will grow up in ignorance and not know anything. Do you know the name of the president of the United States?" The boy answered "No." "Did you ever hear of George Washington, or Abraham Lincoln, or Theodore Roosevelt?" Again the boy answered "No." Then the preacher asked: "Did you ever hear of God?" The boy hesitated for a moment, and replied: "God! God! Oh, is his last name Dam?"

Snuff is going up again. Excise statistics show that in September last 74,899 pounds of this product were entered for consumption, compared with 71,254 pounds in September, 1932. And that is a sign of recovery that cannot be sneezed at.

A farm placement scheme with a five-dollars-per-month bonus paid to single unemployed men sent out to farms, takes effect in Alberta immediately. Every case will be investigated carefully to see there are no abuses. The idea is to get single men from the U.S. centres to go out to work. Under the scheme, the farmer will give the man board in return for his work. Last year 1360 men were sent to Alberta farms under a similar scheme.

An unusual sight was witnessed in Kamloops recently that might not come again in a long while. This was 26 wapiti (elk) on their way to Adams Lake. These were to be seen in a box car at the Canadian National Railway freight sheds, 20 females and six males. They were enroute from Wainwright Park, Alta., and will be taken to the south side of Adams Lake and then freighted across on a scow to the north side, where they will be released. Away from all manner of traffic and interference, the animals are expected to settle down and make this region their home. There is hope expressed by the game department that success will attend this experiment.

Miss Elizabeth Ford, 24, who speaks the Eskimo language like a native and is an expert in the handling of sleigh dogs, arrived in Winnipeg recently, in the course of a leisurely journey to Cominal Gulf, on the Arctic coast. Miss Ford was

born at Ungava Bay, in Hudson Straits, Northern Quebec. Some of her schooling was obtained at Churchill, a mere 800 miles away by dog team. Five years ago she went to St. John's, Newfoundland, to complete her education, and is now returning to the Far North. The daughter of a Hudson's Bay Company factor, Miss Ford has frequently served as interpreter for her father and other officials of the company in the Eskimo country. She is planning to spend some months visiting in the west before setting out for the north country. She will go by train to Churchill and from there will travel by dog team to Cominal Gulf, 1,800 miles from Churchill.

Speaking of orchestras and conductors, it is said a New York orchestra will try the experiment of giving symphony concerts without a conductor. The idea is that the audience will pay more attention to the music if it does not have to watch the calisthenics of a leader. This is correct up to a certain point. But about 75 per cent of any concert audience likes to watch the conductor, and applaud the conductor, and talk about the conductor afterwards. Just listening to the music isn't nearly exciting enough.—Cranbrook Courier.

Chappell: "This new dog we have is just like one of the family." McPhail: "Which one?"

Soap-Box Orator: "We must get rid of capitalism, radicalism, Socialism, Bolshevism, Communism and anarchism."

Dad Harrison: "And while you're at it, you better throw in rheumatism!"

## CENTRAL MEAT MARKET

Phone 294 V. KRIVSKY, Prop. P. O. Box 32

Mrs. "Pat" Conner was in from Mill Creek on Saturday last.

Scottish sheep are different to everything else of Scotch origin. They do undertake to give—wool.

It's too bad the leaves didn't remain to enjoy the whole of this summer. They'll know better next year, probably.

A seventeen-year-old girl in New York committed suicide because her companions called her "Fatty." We were thinking of doing the same trick a few days ago when a friend called us "Shorty."

It's a fixed income if you can't budget.

There is such a thing as portable business, after all. The banks have to carry them.

The Lethbridge Herald remarks: "Disarmament seems to be a fine thing—for the other fellow. It's something like the Socialism of the C.C.F."

The final football game for the Crahan cup was played at Fernie on Sunday last between Corbin and Michel, the former winning by a 2-1 count.

## Local and General Items

The Editor will be pleased to receive items for this section, regarding visitors entertained, parties leaving for holidays or short trips, bridge parties, teas, etc. Phone items in to 11 or hand them in at The Enterprise office no later than Wednesday evenings.

The best thing to take for a headache is whiskey the night before.

At Red Deer, a bank balance of \$13,000 was reported in a recent financial statement.

Every boy of Scout age in Hudson, Ontario, is a member of the local Boy Scout troop.

The Ladies' Aid annual turkey supper at the United church last evening was very well attended, as usual.

Miss Powlett, who has spent the past ten months with her brother at Calgary, C. H. Powlett, has returned to Montreal.

Edward Percevaux, of Cowley, had the misfortune to lose one of his thumbs on Wednesday of last week, while roping cattle at the George Cleland ranch.

An exchange asks: "How is it that real singers cannot master Sweet Adeline? Whether men are dry, wet or just mellow, they seem to strike too high a key, and Sweet Adeline becomes all wet."

Mr. and Mrs. George Brown announce the engagement of the youngest daughter, Marguerite, to William, son of Mr. and Mrs. G. W. Goodwin, of Bellevue, the marriage to take place in the near future.

Murphy's rebuttal to "Bill" Irvine's side of last Saturday's debate was given to a gathering at the Union hall last evening. Just the usual case of hitting a man when his back was turned.

A bulletin has just been issued by the Dominion bureau of statistics, which gives the final estimate of the Alberta wheat crop for the season 1933 to be 95,100,000 bushels as compared with 164,000,000 for 1932.

Thinking of the debate here on Saturday, a friend of ours, seeing Murphy limping along the street on Monday morning, remarked that he was suffering from the "N.R.A." National Recovery, Almost.

New ways of starting in business are coming to the fore each day. The latest is a guy, with practically nothing in the way of security, expecting wholesale firms to stock him up, asking for extended credit.

Major Lukin Johnston, noted Canadian journalist, was last week reported missing from the liner Prague, crossing from Holland to England, after having had an interview with Adolf Hitler in Germany.

The marriage is announced of Irene Natalie, youngest daughter of F. S. Kafoury, of Blairmore, to Mr. LeRoy Russel McGill, junior, eldest son of Mr. and Mrs. L. R. McGill, of Los Angeles, California, on Tuesday, October 17th.

Safeways and other local stores that are doing a consistent line of advertising through the Home Paper these days are reaping a volume of the business worth while. Not only the news columns, but the advertising in your weekly paper, is of real household value.

Thirty-six states in the U.S.A. have voted for prohibition repeal. The twenty-third amendment to the American constitution will be effective after December 5th. After many years of experimenting with prohibition, it may be said the American citizen is now sadder Budweiser.

The Alberta government has confidence in "A. A. McKenzie, relief commissioner, and are not contemplating making any change, despite the efforts of the Murphy-controlled Blairmore council. The government has very carefully considered the protests that have been received from various sources, and are prepared to stay with their relief policy.

The thing most needed in the American home today is the family.

A huge Russian airplane crashed near Kharkov on Monday, killing fourteen.

With the whiskey ban lifted, after December 5th, the United States is liable to "Drink Canada Dry."—Ex.

GREENHILL TEMPLE No. 10 Pythian Sisters, will hold their annual Sale and Afternoon Tea in the Lodge hall on Saturday, December 2nd. [2t]

McPhersons may be considered the most popular people in Canada. They are today represented in the parliaments of Saskatchewan, Alberta and British Columbia.

The Ladies' Guild of St. Luke's Anglican church, will hold a Tea and Sale of Work and Pantry goods, on Saturday, November 25th, in the Scouts' hall, from 3 to 6 p.m. [m2-n23]

Gainor, Houbregas and Hutton, three former Crows' Nest Pass hockey stars, were largely responsible for Calgary Tigers' win over Vancouver on Monday night, each scoring. The result of the opener was 3-1.

The pound sterling reached a new high in New York last Thursday when \$5.44 was quoted, later running to \$5.50½. The Canadian dollar was worth 1.04½, and the franc \$6.69.

On Tuesday morning, a little lad of five years was met in the post office, and was asked why he wasn't at school. His answer, was: "Don't know! They won't let me in! Guess 'cause I knows too much!"

A heading in the Truro News reads "RUIT ECTNPNION. SERE-CIV." It is not Gaelic. We are offering 25 cents worth of candy to the ten-year-old child bringing in the first correct solution.

While in town over the week end, Rev. Dr. Powell was guest of Rev. A. E. and Mrs. Larkie at the manse. Dr. Powell addressed a social gathering at Cowley on Monday afternoon, and returned to Calgary on Tuesday.

Judge J. A. Jackson, of Lethbridge, has been appointed chairman of the board of conciliation, inquiring into a dispute between the city of Edmonton and 500 of its employees in the waterworks, engineer and powerhouse departments.

The charge of assault instituted by P. Dugdale against S. Magdall was withdrawn yesterday at the instance of Dugdale. We understand now that a similar charge will be laid by Corpl. Cawsey, of the R.C.M.P., the case to come up for hearing next Wednesday.

Augustus Ott, father of the little tot who disappeared from the farm home near Pincher Creek and died in a bush in May last, died at Pincher Creek on Friday last as a result of injuries sustained when he lost control of his team, which ran over him. Mrs. Ott is left with a two months old baby.

DR. A. E. SHORE, of Drs. Gunn, Hackney & Shore, Calgary, will be at the office of Dr. Stewart, Blairmore, on Thurs., November 30th, after 2:00 p.m. Any one wishing to consult him with regard to Eye, Ear, Nose or Throat conditions, or to be fitted with glasses, please make appointments with Dr. Stewart.

The Red Deer Advocate states: "Last Saturday was the biggest and best business day in the history of Red Deer. There were more goods sold and more money taken than on any one day before. Records were smashed in all directions." Full pages of advertising by local stores accomplished this desirable and satisfying result. Two stores carried four pages, while others carried liberal space.

Joe Cardinal, of the Gap rang station, is in town today.

The United States government will send a Bullitt as its ambassador to Russia.

Apart from the soap-box "damns," etc., (not from Irvine) the debate here on Saturday afternoon was much enjoyed.

Henry Herman Westinghouse, chairman of the board of the Westinghouse Airbrake Company, died at Goshen, New York, on Saturday last, aged eighty.

Charles Garrison, senior, passed away at Frank Sunday night at the age of 72. The remains were laid to rest in Hillcrest cemetery yesterday afternoon.

George Penn, C.P.R. agent at Lundbreck, won first prize for the best visible old garden on the Lethbridge division. He says pansies are still blooming in his garden.

Mr. L. L. Morgan is confined to his home through illness.

The remains of Angela Alampi, who died at Coleman on Friday morning, were laid to rest on Sunday.

Two new weeds have been added to the official list of noxious weeds of Alberta, the leafy spurge and the hoary cress.

We regret to learn that Rev. A. S. Partington has been confined to his home at Coleman through illness. It is thought likely he will be obliged to enter hospital.

Quite a number from this district, particularly Hillcrest, attended the funeral services of Frank J. Smith at Calgary on Tuesday, including G. E. Cruickshank, M.L.A.

Dr. J. L. Chapelle, chiropractor, who moved to Edson and Wainwright following about a year and a half in Blairmore, has become re-established in the old stand at Calgary.
